1. In looking through old files, we discover that in January 1949 ZIPPER requested a Temporary Travel Document be issued to Guido J. ZIMMER, for 'necessary travel to be performed in connection with ZIPPER.'

2. We have no other POB information about ZIMMER's connections to the organization, but can check with ZIPPER if you deem advisable. Insofar as undersigned is aware of DADers now around, only [ ] and [ ] knew ZIMMER and saw him socially and otherwise in Erlangen during the summer of 1945.
